HRC Equality Circle

Ensuring the Future for LGBT Equality

The **HRC Equality Circle** was established to recognize individuals who have created gifts to the Human Rights Campaign or the Human Rights Campaign Foundation through tax-wise planned giving. By making a gift in this way, members demonstrate their long-term commitment to the mission of the Human Rights Campaign and the Human Rights Campaign Foundation. The gifts made by **HRC Equality Circle** members enable the Human Rights Campaign to plan for the long-term -- the programs, activities, outreach, and general operations that work to achieve and protect equal rights for all people regardless of sexual orientation or gender identity.

Some of the benefits of membership in the **HRC Equality Circle** include:

- + Invitations to special activities, lectures, seminars, and programs designed just for HRC Equality Circle members.
- + Recognition HRC Gala Dinner program books.
- + The HRC Equality Circle pin - distinguishes members as investment supporters of HRC.
- + *Equality Circle News* – a quarterly publication featuring articles and information concerning tax-wise philanthropy and Equality Circle events.
- + Recognition in the Human Rights Campaign Annual Report.

Membership in the **HRC Equality Circle** is established upon the receipt of the HRC Equality Circle enrollment form. *All terms of the gift remain private and confidential.* Members themselves can remain anonymous or have their names published in various Human Rights Campaign literature. Tax-wise planned gifts to the Human Rights Campaign Foundation are tax-deductible.

For more information about strategic giving opportunities available at the Human Rights Campaign and the Human Rights Campaign Foundation, please contact Timothy L. Mahoney, Director for Estate Planning, by e-mail at timothy.mahoney@hrc.org or (202) 216-1563.
